Tips and Tricks for leading a discussion

If you can't meet together in person consider setting up a group chat.

Show that you are a good listener. To do this over a messaging app be sure to thank each person for their comments.

Growth Tip

Pray for those who are hurting and pray for those that have hurt you.

You can pray to begin your relationship with Jesus!

Jesus, I need you. Forgive my sinful mistakes. I am giving you control of my life. Thank you for your love! Amen
